EDUCATION	<i>PhD</i> , Psychology of Language Georg-August-Universität Göttingen <ul style="list-style-type: none">Thesis: Cross-domain influences on early word and action learning Supervisors: Nivedita Mani and Birgit Elsner (Potsdam)	2015 - 2018
	<i>MSc</i> , Psychology & Language Sciences Specialization in Language Development University College London, Faculty of Brain Sciences <ul style="list-style-type: none">MSc thesis: Some pieces are missing: The acquisition of <i>some</i> and its influence on sharing in childrenAwarded the MSc Language Sciences Student Achievement Prize 2014/15 Supervisors: Nausicaa Pouscoulous (UCL), Keith Jensen and Elena Lieven (University of Manchester)	2014 - 2015 Distinction
	<i>BA</i> , English Philology and General Linguistics Georg-August-Universität Göttingen <ul style="list-style-type: none">BA thesis: Electrophysiological evidence of orthographic influences in auditory language processing. Supervisors: Hildegard Farke and Nivedita Mani	2011 - 2014 Grade: 1,7
RELEVANT EXPERIENCE	<i>Research Assistant</i> Psychology of Language Georg-August-Universität of Göttingen Prof. Dr. Nivedita Mani	September - October 2015
	<i>Peer-tutor</i> Research methods in statistics University College London	November 2014 - January 2015
	<i>Student Research Assistant</i> Graduiertenschule Geisteswissenschaften Georg-August-Universität of Göttingen Dr. Daniele Panizza	June - September 2014
	<i>Student Research Assistant</i> Courant Research Center "Text Structures" Georg-August-Universität of Göttingen Prof. Dr. Edgar Onea	October - December 2013
	<i>Intern</i> Free Floater Research Group "Language Acquisition" Georg-August-Universität of Göttingen Prof. Dr. Nivedita Mani	March - October 2013

Sarah Eiteljörge

- PLANNED PUBLICATIONS** **Eiteljörge, S.**, Kriukova, O., & Mani, N. (in prep). Category-based word learning in toddlers.
Eiteljörge, S., Pouscoulous, N., & Lieven, E. (in prep). A corpus study on *some*: Usage and input in language acquisition.
Bobb, S., **Eiteljörge, S.**, Schreiner, M., & Mani, N. (in prep). Electrophysiological evidence of adults' speech segmentation mechanisms.
- CONFERENCE TALKS** **Eiteljörge, S.**, Kriukova, O., & Mani, N. (April, 2017). Category-based word learning in toddlers. Presented at SRCD in Austin, TX.
Eiteljörge, S., Pouscoulous, N., & Lieven, E. (Nov, 2016). Some pieces are missing: Scalar implicatures in children. Presented at BUCLD in Boston, MA.
Bobb, S., **Eiteljörge, S.**, Schreiner, M., & Mani, N. (Sept, 2016). Electrophysiological evidence of adults' speech segmentation mechanisms. Presented at AMLAP, BCBL Spain.
Eiteljörge, S., Pouscoulous, N., & Lieven, E. (Aug, 2016). Some pieces are missing: Scalar implicatures in children. Presented at ESPP, St Andrew's, UK.
Eiteljörge, S., Pouscoulous, N., & Lieven, E. (Jan, 2016). Some pieces are missing: Scalar implicatures in children. Presented at Trends in Experimental Pragmatics Workshop, ZAS Berlin.
- SELECTED POSTERS** Bobb, S., **Eiteljörge, S.**, Schreiner, M., & Mani, N. (Jan, 2016). Electrophysiological evidence of orthographic influences in auditory language processing. Presented at the FENS winter school on Neurobiology of language and communication, Obergurgl.
Eiteljörge, S., Pouscoulous, N., & Lieven, E. (Jan, 2016). Some pieces are missing: Scalar implicatures in children. Presented at BCCCD, Budapest.
Jensen, K., Pouscoulous, N., Rouvrouye, L., **Eiteljörge, S.**, & Lieven, E. (July, 2015). Give some, keep some, put some: scalar implicatures and sharing in children. Presented at Experimental Pragmatics, Chicago, July 2015.
- TEACHING** *Biocognition* Summer semester 2017
Scientific practice Summer semester 2016
- HONOURS and AWARDS** *DAAD Travel Grant* April 2017
Paula Menyuk Travel Award November 2016
UCL Achievement Prize November 2015
MSc Language Sciences Student Achievement Prize 2014/15
Undergraduate Awards September 2014
Highly Commended
 - One of the top performing 10% in the category "Languages & Linguistics" and the only German highly commended. 4,792 submissions in total from 209 universities around the world.
